

# Turnkey Event Services

In addition to producing our annual signature events, Hillman B2 also offers turnkey services to municipalities, agencies and enterprises. We provide the resources and professional personnel for online event registration, onsite data collection, and event website design. We also provide turnkey event production or work closely with your existing event team. View the services brief below and click the respective links for additional information.

## EVENT REGISTRATION

If your event is free you are not getting customer and attendee information. Well, let's fix that.

- ✓ Online and/or Onsite Registration/RSVP
- ✓ Responsive-design registration webpage & hosting
- ✓ Email addresses confirmed through auto-response
- ✓ Confirmation may be shown on mobile device
- ✓ Tablet stations & tents for onsite check-in.

## EVENT WEBSITE DESIGN

Exciting events should not be paired with a boring website.

- ✓ Responsive website design for cross-platform access
- ✓ Features HTML5 and CSS3, the latest design types
- ✓ High-resolution stock images available
- ✓ Inclusion of links to social media accounts and ads
- ✓ Contact form with Captcha for security
- ✓ Hillman B2 hosting available

## DATA COLLECTION

If a group of 5 attends your event, but one person purchased the tickets, you only have information for one person. Now, that ain't right!

- ✓ Multi-unit tablet station at event for data capture
- ✓ Personnel to assist guests with questions or data entry
- ✓ Exhibit equipment suitable for indoor/outdoor events
- ✓ Distribution of provided branded premiums
- ✓ Tents for outdoor use, if applicable.
